

## New Way to Register!

We have updated the way you will register your children in our programs. We will now use Community Pass.

The link to our Community Pass page can be found on our website under the "Register" Tab.

From there you will be redirected to Community Pass, where you will create an account and begin the registration process.

Through this method of registration, you will be able to create a "Family Account" which will make all future registrations easier and faster.

We feel this will make our registration process much more efficient and more convenient for you and your family!
